the number one bestseller magnificent vivid moving superb max hastings sunday times this is the closest you will ever get to war the taste the smell the noise and the fear the normandy landings that took place on d day involved by far the largest invasion fleet ever known the scale of the undertaking was awesome and what followed was some of the most cunning and ferocious fighting of the war as casualties mounted so too did the tensions between the principal commanders on both sides meanwhile french civilians caught in the middle of these battlefields or under allied bombing endured terrible suffering even the joys of liberation had their darker side antony beevor s inimitably gripping narrative conveys the true experience of war he lands the reader on the beach alongside the heroes whose stories he so masterfully renders in their full terrifying glory a thrilling story with all beevor s narrative mastery chris patten financial times beevor s d day has all the qualities that have made his earlier works so successful an eye for telling and unusual detail an ability to make complex events understandable and a wonderful graphic style ian kershaw guardian books of the year d day s

phenomenal success is both understandable and justified james holland d day is a triumph on almost every page there s some little detail that sticks in the mind or tweaks the heart this is a terrific inspiring heart breaking book sam leith daily mail

a fresh and incisive examination of one of the second world war s crucial campaigns the battle for normandy in the months after d day what happened to the allied armies in normandy in the months after d day 1944 why after the initial success of the landings did their advance stall a few miles inland from the beaches why did the british take so long to capture caen why did the us infantry struggle so much in the bocage south of omaha beach who was right about the conduct of the land campaign eisenhower or montgomery how did the germans deprived of air support manage to hold off such a massive allied force for more than two months and if enigma was allowing the allies to read german battleplans why did things go wrong as often as they did the battle of normandy re examines the demands and difficulties of the campaign and sheds new light on both with the aid of accounts from veterans on both sides oral history forms a large part of the book it also analyses in detail the plans and performance of the commanders involved eisenhower bradley patton montgomery crerar and of course rommel controversial and at times catastrophic the battle of normandy was the last great set piece battle in history and is long overdue for reassessment

max hastings s exceptional kirkus reviews starred review account of the famous world war ii d day landings will stand with that of the best journalists and writers who witnessed it the new york times book review on june 6 1944 the american and british armies staged the greatest amphibious landing in history called operation overlord the battle for the liberation of europe despite the allies absolute command of sea and air and vast firepower it took ten weeks of fierce fighting for them to overpower the tenacious superbly skilled german army forty years later british war correspondent and military historian max hastings shares a dense dramatic portrait of the normandy invasion that overturns the traditional legends first published in 1984 overlord will shock those who regard the invasion of normandy and the subsequent battles as triumphs of american british and canadian military heroism the new york times instead hastings provides a brilliant controversial perspective on the devastating battles based on the eyewitness accounts of survivors from both sides plus a wealth of previously untapped sources and documents a masterly book rich in insight shrewd and weighty in judgement max hastings stands in the first rank of writers on modern war financial times

now available in flexibound format normandy illuminates the tense buildup to the allied invasion of france in world war ii covering both the german and allied perspectives through previously unpublished period photographs

6 June 1944 the date that marked the beginning of the end of the war in north west Europe and the day on which the liberation of France began this lavishly illustrated book relives the story of D Day from the pre-invasion preparations through to the landings themselves and the subsequent battle for control of Normandy all beautifully illustrated through an unparalleled collection of paintings drawings and maps however it is not simply a collection of artwork first and foremost it is a historically accurate recollection of events painstakingly researched with the assistance of leading historians being illustrated by the world's leading military and aviation artists rather than photographs makes it a totally unique account and very different to any others much of the work included was produced exclusively for the book and many specially created maps and diagrams make the edition perfect for military enthusiasts and art collectors alike these exceptional works help knit together this brief account of D Day serving as a lasting tribute to all who fought during the epic Normandy campaign

A history of World War II's Operation Overlord from the campaign's planning to its execution as Allied forces battled to take France back from Germany D Day June 6 1944 and the seventy-six days of bitter fighting in Normandy that followed the Allied landing have become the defining episode of World War II in the West the object of books films television series and documentaries yet as familiar as it is as James Holland makes clear in his definitive history many parts of the Overlord campaign as it was known are still shrouded in myth and assumed knowledge drawing freshly on widespread archives and on the testimonies of eye witnesses Holland relates the extraordinary planning that made Allied victory in France possible indeed the story of how hundreds of thousands of men and mountains of materiel were transported across the English Channel is as dramatic a human achievement as any battlefield exploit the brutal landings on the five beaches and subsequent battles across the plains and through the lanes and hedgerows of Normandy a campaign that in terms of daily casualties was worse than any in World War I come vividly to life in conferences where the strategic decisions of Eisenhower Rommel Montgomery and other commanders were made and through the memories of paratrooper Lieutenant Dick Winters of Easy Company British Corporal and Tanker Reg Spittles Thunderbolt pilot Archie Maltbie German Ordnance Officer Hans Heinze French resistance leader Robert LeBlanc and many others for both sides the challenges were enormous the Allies confronted a disciplined German army stretched to its limit which nonetheless caused tactics to be adjusted on the fly ultimately ingenuity determination and immense materiel strength delivered with operational brilliance made the difference a stirring narrative by a pre-eminent historian Normandy 44 offers important new perspective on one of history's most dramatic military engagements and is an invaluable addition to the literature of war praise for Normandy 44 an Amazon Best Book of the Month History an Amazon Best History Book of the Year detail and scope are the twin strengths of Normandy 44 Mr Holland effectively balances human drama with the science of war as the Allies knew it Jonathan W

jordan wall street journal a superb account of the invasions that deserves immense praise to convey the human drama of normandy requires great knowledge and sensitivity holland has both in spades times uk

collected in depth accounts from nazi commanders chronicling their efforts to fight back against the allied invasion at normandy during world war ii the allied landings on the normandy beaches in june 1944 were brilliantly executed but proved to be just the opening phase of a desperately fought battle the german army responded to the invasion with as much ferocity and force as it could muster and turned the struggle into a brutal and prolonged campaign these in depth reports by german commanders given the task of turning the tables on the invaders is crucial to a full understanding of the battle for normandy the accounts david isby has selected all written soon after the war s close for american military intelligence cover german attempts to stem the invasion dramatic defensive battles in the norman countryside and attempts to implement a series of counterattacks this vital source material presents the german perspective on the fighting from regimental to corps level and graphically illustrates the wealth of problems faced by an army on the very brink of destruction

the allied landings on the coast of normandy have assumed legendary status but overly romanticizing d day wieviorka argues losses sight of the full picture normandy offers a balanced complete account that reveals the successes and weaknesses of the titanic enterprise

explores the invasion of normandy of world war ii authoritative text colorful illustrations illuminating sidebars and questions to prompt critical thinking make this an exciting and informative read

in the americans at d day the first volume of this series john c mcmanus showed us the american experience in operation overlord now in this succeeding volume he does the same for the battle of normandy as a whole never before has the american involvement in normandy been examined so thoroughly or exclusively as in the americans at normandy for d day was only one part of the battle and victory came from weeks of sustained effort and sacrifices made by allied soldiers presented here is the american experience during that summer of 1944 from the aftermath of d day to the slaughter of the falaise gap from the courageous famed figures of bradley patton and lightning joe collins to the lesser known privates who toiled in torturous conditions for their country what was this battle really like for these men what drove them to fight against all sense and despite all obstacles how and why did they triumph reminiscent of cornelius ryan s the longest day the americans at normandy takes readers into the minds of the best american strategists into the hearts of the infantry

into hell on earth engrossing lightning quick and filled with real human sorrow and elation the americans at normandy honors those americans who lost their lives in foreign fields and those who survived here is their story finally told with the depth pathos and historical perspective it deserves

world history second world war with the diary of the battle of normandy relive day after day the fights of the summer 1944 with their highlights their great moments but also through little known facts even for some widely ignored every episode is accompanied with partially new photos with documents posters some of the press and with a map allowing to follow daily the evolution of the front

presents a young reader s adaptation of the guns at last light tracing the battle of normandy and the allied liberation of western europe through the end of world war ii

two volume british record of the victorious allied campaign in north west europe during world war ii

surely one of the best works in regard to the normandy invasion truly a vital contribution to world war ii literature It colonel robert a lynn florida guard through thoughtfully constructed research bradham vividly presents the battle for normandy s cotentin peninsula one of the most important and yet understudied operations of world war ii this book provides a detailed overview of the battles that make up the cotentin peninsula campaign an important part of the invasion of normandy while historians often cite specific examples of the fighting that took place on the peninsula most treat the battles as individual events or singular parts of the overall normandy campaign in this work bradham takes a different approach focusing on the unique set of battles that had to be fought in order for the allies to secure their foothold on normandy bradham not only discusses the strategy used to secure the peninsula but also gives detailed accounts of the major battles and tactical doctrine that was developed to fight them along the way he provides biographical information on the main actors explaining how key personality traits along with personal relationships influenced their conduct while in battle in doing so the author outlines the effect of the campaign on the overall conduct of the war

the strategy and planning behind d day the best researched best written account of the normandy campaign i have ever read the new york times book review one of the most controversial and dangerous military operations in the history of modern warfare the battle for normandy took over two years of planning by each country that made up the allied forces the event is mired to this day in myth and misconception and untangling the web of work that led to d day is nearly as daunting as the work that led to the day itself drawing from

declassified documents personal interviews diaries and more carlo d este a winner of the pritzker award uncovers what really happened in normandy from what went right to what went wrong d este takes readers on a journey from the very first moment prime minister churchill considered an invasion through france to the last battles of world war ii with photos maps and first hand accounts readers can trace the incredible road to victory and the intricate battles in between a comprehensive look into the military strategy surrounding the second world war decision in normandy is an absolute essential for history buffs a fresh perspective on the leadership of field marshal bernard montgomery and the allied landings after d day publishers weekly again and again he reveals new facets of familiar subjects in part from his own dual american army and british academic background in part by querying everyone and everything kirkus reviews

on 6 june 1944 allied forces stormed the beaches at normandy the invasion followed several years of argument and planning by allied leaders who remained committed to a return to the european continent after the germans had forced the allies to evacuate at dunkirk in may 1940 before the spring of 1944 however prime minister winston churchill and other british leaders remained unconvinced that the invasion was feasible at the teheran conference in november 1943 franklin d roosevelt and winston churchill promised josef stalin that allied troops would launch operation overlord the invasion of normandy in the spring because of their continuing concerns about overlord the british convinced the americans to implement a cover plan to help ensure the invasion s success the london controlling section lcs devised an elaborate two part plan called operation fortitude that shaef supreme headquarters allied expeditionary force helped to fine tune and that both british and american forces implemented historians analyzing the normandy invasion frequently devote some discussion to operation fortitude although they admit that fortitude north did not accomplish all that the allied deception planners had hoped many historians heap praise on fortitude south using phrases such as unquestionably the greatest deception in military history many of these historians assume that the deception plan played a crucial role in the june 1944 assault a reexamination of the sources suggests however that other factors contributed as much if not more to the allied victory in normandy and that allied forces could have succeeded without the elaborate deception created by the lcs moreover the persistent tendency to exaggerate the operational effect of fortitude on the german military performance at normandy continues to draw attention away from other technical military reasons for the german failures there

analysing day by day the sometimes epic tank battles following the normandy landings this book presents an extraordinary array of photographs from the time the photos are accompanied by detailed captions which will be invaluable to all tank enthusiasts together

with a compelling narrative

a traveller s guide to d day and the battle for normandy covers the period from june to august 1944 when the allies stormed ashore fought their way through the bocage country of normandy and eventually broke out through the avranches gap this title gives comprehensive information about major battles and battlefields memorials sites cemeteries and statues how to get there what to see contemporary eyewitness accounts then and now photographs and maps the guide helps us understand what it was like to have endured the ordeal of combat through their own words we learn the feelings of those young men and women of many nationalities who fought and died what were their private thoughts and fears their personal memories contemporary eyewitness accounts are woven into the fabric of this book which has immediacy and vividness that marks a new departure in guidebooks
